ENGLISH/QUARTER 1/ GRADE 4

I. CURRICULUM CONTENT, STANDARDS, AND LESSON COMPETENCIES

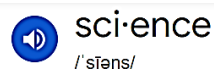

A. Content Standards	The learners demonstrate their expanding vocabulary knowledge and grammatical awareness, comprehension of literary and informational texts, and composing and creating processes; and their receptive and productive skills in order to produce age-appropriate and gender-responsive texts based on one's purpose, context, and target audience.
B. Performance Standards	The learners apply comprehension of literary and informational texts and produce narrative and expository texts (enumeration-description) based on their purpose, context (mealtimes and birthdays), and target audience using simple, compound, and complex sentences, and age-appropriate and gender-sensitive language.
C. Learning Competencies and Objectives	<i>Using structural analysis</i> 1. Identify root words to infer meaning of words. 2. Identify meaning and use of prefixes (un-, in-, il-, ir-, im- mis-) in inferring the meaning of words. 3. Recognize the denotative and connotative meaning of words used in sentences.
D. Content	Using Structural Analysis in Unlocking Meaning of Words
E. Integration	

II. LEARNING RESOURCES

Haberling, J. (2016). *The complete middle school study guide: Everything you need to ace English language arts in one big fat book*. Workman Publishing Co., Inc.

Sheehan, A. (January 2004). Making sense of words. *English Teaching Forum*, 2-11.

III. TEACHING AND LEARNING PROCEDURE			NOTES TO TEACHERS		
A. Activating Prior Knowledge	DAY 1 Short Review Present basic Science terms that were covered in Grade 3. Guide students in analyzing the meaning of the words based on the root words. The last column should be blank where students can write the word meanings in their own words.				
	Word	Root	Meaning of Root		What is the meaning of the word?
	laboratory	Latin Root: laboratorium	a place for labor or work		a special room or building where you do experiments
	investigation	Latin Root: vestigium	footprint, track		to study or examine closely
	diagram	Greek Root: diagraphein	mark out by lines		a drawing that shows how parts fit together or how something works
	microscope	Greek Roots: mikros skopein	small to look at		a tool that makes tiny things look bigger
	astronomy	Greek Root: astron	star		learning about things that are not on the planet Earth
	B. Establishing Lesson Purpose	1. Lesson Purpose Show a screenshot of a search result when one does an online search of a word definition. Highlight the information one can find particularly the details on word etymology or word meaning. Below is an example:			If internet connection is available. The class can explore

noun

noun: **science**

1. the systematic study of the structure and behavior of the physical and natural world through observation, experimentation, and the testing of theories against the evidence obtained.
"the world of science and technology"

Similar: branch of knowledge area of study discipline field

- a particular area of science.
plural noun: **sciences**
"veterinary science"
- a systematically organized body of knowledge on a particular subject.
"the science of criminology"

2. **ARCHAIC**
knowledge of any kind.
"his rare science and his practical skill"

Origin

Middle English (denoting knowledge): from Old French, from Latin *scientia*, from *scire* 'know'. The main modern sense developed in the late 18th century.

https://www.google.com/search?sca_esv=9f7028ba12e97f2e&rlz=1C1VDKB_enPH956PH956&q=science&si=ACC90nypsxZVz3WGK63NbnSPIfCB0bl7Dm_VThqizZ7fRTNWgYZZ8qp3sZAEBOeBPCKEb7o9WdT0qetRmWizliKqUDi0uwa33Q%3D%3D&expnd=1&sa=X&ved=2ahUKewjc7eeCgL2GaxVUrVYBHQxtA-cQ2v4legQIIBAE&biw=1396&bih=663&dpr=1.38

Note how students can use online information in online dictionaries. Link this to the focus of the week's lesson on analyzing the structure of a word.

2. Unlocking Content Vocabulary

Present the following definitions and have the students identify the parts of the words that follow. They will check the appropriate label.

- a. **Root** –the most basic part of the word which holds the core of the word's meaning
- b. **Affix** – an additional element placed at the beginning or end of a word to change its meaning
- c. **Prefix** – affix that appear at the front of a root word
- d. **Suffix** – affix that appear at the end of a word

doing online search for word meanings.

Using the dictionary is another option.

	The definitions are from <i>the complete middle school study guide: Everything you need to ace English language arts in one big fat book</i> by Jen Haberling (2016, pp. 76-77) <table border="1"> <tr> <td rowspan="4">presentable</td><td>present</td><td>-able</td></tr> <tr> <td>__ root</td><td>__ root</td></tr> <tr> <td>__ prefix</td><td>__ prefix</td></tr> <tr> <td>__ suffix</td><td>__ suffix</td></tr> </table> <table border="1"> <tr> <td rowspan="4">international</td><td>inter-</td><td>national</td></tr> <tr> <td>__ root</td><td>__ root</td></tr> <tr> <td>__ prefix</td><td>__ prefix</td></tr> <tr> <td>__ suffix</td><td>__ suffix</td></tr> </table> <table border="1"> <tr> <td rowspan="4">endless</td><td>end</td><td>-less</td></tr> <tr> <td>__ root</td><td>__ root</td></tr> <tr> <td>__ prefix</td><td>__ prefix</td></tr> <tr> <td>__ suffix</td><td>__ suffix</td></tr> </table>	presentable	present	-able	__ root	__ root	__ prefix	__ prefix	__ suffix	__ suffix	international	inter-	national	__ root	__ root	__ prefix	__ prefix	__ suffix	__ suffix	endless	end	-less	__ root	__ root	__ prefix	__ prefix	__ suffix	__ suffix	More examples can be provided here. Students can also give additional examples.
presentable	present		-able																										
	__ root		__ root																										
	__ prefix		__ prefix																										
	__ suffix	__ suffix																											
international	inter-	national																											
	__ root	__ root																											
	__ prefix	__ prefix																											
	__ suffix	__ suffix																											
endless	end	-less																											
	__ root	__ root																											
	__ prefix	__ prefix																											
	__ suffix	__ suffix																											
C. Developing and Deepening Understanding	DAY 2 1. Explicitation Have students work on this exercise which is adapted by Andrew Sheehan (2004) from Redman, Ellis, and Viney (1996). <i>Which of these words can be combined with -less and -ful? List the words that can be derived.</i> use _____ harm _____ care _____ thought _____ pain _____ hope _____																												

Note how adding -less and -full changed the meaning of words. Stress the purpose of the lesson which is on analyzing the parts of a word to infer its meaning.

2. Worked Example

Guide students in analyzing the information on word parts in the table below. Note the change in meaning when a prefix or suffix is added.

<i>Prefix</i>	<i>Root</i>	<i>Suffix</i>	<i>Meaning</i>
	USE		take (something) for a purpose to get a result
	USE	ful	able to be used for a purpose
	USE	less	not able to achieve intended purpose
mis	USE		use (something) in a wrong way
re	USE		use again

Present the list of common Latin and Greek roots and their meanings. Ask students to think or search for more words with the same root.

Common Latin Roots

<i>Latin Root</i>	<i>Meaning</i>	<i>Example Words</i>
aqua	water	aquarium, aquamarine
aud	to hear	audience, auditorium
multi	many	multimedia, multiple
vis	see	visible, vision

Common Greek Roots

<i>Greek Root</i>	<i>Meaning</i>	<i>Example Words</i>
anti	against	antivirus, antidote
bio	life	biology, biography
micro	small	microscope, microphone
phon	sound	telephone, saxophone

The teacher can add more in the list. Make sure that the words are appropriate to the students' grade level.

Present the list of common prefixes and suffixes along with their meanings. Have students infer the meaning of the words and write in the last column the definition using their own words. Students can also think or search for more words with the same prefix or suffix.

Common Prefixes

<i>Prefix</i>	<i>Meaning</i>	<i>Example Words</i>	<i>What is the meaning of the word?</i>
im- in- il- ir-	not	impossible	
		invisible	
		illegal	
		irregular	
mis-	wrongly	misspell	
		misfortune	
dis-	not	disagree	
		dislike	

Common Suffixes

<i>Prefix</i>	<i>Meaning</i>	<i>Example Words</i>	<i>What is the meaning of the word?</i>
-able -ible	is; can be	affordable	
		accessible	
-ful	full of	helpful	
		spoonful	
-less	without	endless	
		bottomless	

DAY 3-4

3. Lesson Activity

Ask students to work in pairs or in small groups to prepare Word Cards. They select three words from the reading texts in Lessons 1 and 2. A word card has the parts as shown below.

Part of Speech may also be identified. This can be included in the Dictionary Meaning.

	<table><tr><th colspan="3">WORD</th></tr><tr><td colspan="2">Dictionary Meaning</td><td>Filipino/Mother Tongue Translation</td></tr><tr><td colspan="3">Structure</td></tr><tr><td>Prefix</td><td>Root Word</td><td>Suffix</td></tr><tr><td></td><td></td><td></td></tr><tr><td colspan="2">Example Sentence</td><td>Illustration</td></tr><tr><td colspan="2"></td><td></td></tr></table>	WORD			Dictionary Meaning		Filipino/Mother Tongue Translation	Structure			Prefix	Root Word	Suffix				Example Sentence		Illustration				Word Cards can be presented and displayed. Gallery walks can also be explored.
WORD																							
Dictionary Meaning		Filipino/Mother Tongue Translation																					
Structure																							
Prefix	Root Word	Suffix																					
Example Sentence		Illustration																					
D. Making Generalizations	1. Learners’ Takeaways Have students write or talk about what they learned with the help of the following prompts. <i>Learning about the word parts is helpful in _____.</i> <i>I will study more words so I can _____.</i> 2. Reflection on Learning Ask students to reflect on how they learned by answering the following questions. <i>What is one idea that you understand 100% from today’s lesson?</i> <i>What could you have done today to help yourself learn better?</i>																						

IV. EVALUATING LEARNING: FORMATIVE ASSESSMENT AND TEACHER'S REFLECTION		NOTES TO TEACHERS
A. Evaluating Learning	Formative Assessment Word Wall Project. Lead the class in starting a Word Wall Project. New vocabulary	

	words will be posted on the bulletin board every week. Students can display their word cards, word family trees, or word flash cards. The teacher can search for word wall ideas. Below are useful articles: Bruyère, J. (2019, April 22). Building a better word wall. <i>Edutopia</i>. https://www.edutopia.org/article/building-better-word-wall/ Wahlstrom, D. (n.d.). Word wall ideas. <i>Reading Rockets</i>. https://www.readingrockets.org/sites/default/files/migrated/content/pdfs/001-word-wall-post-for-blog.pdf			
B. Teacher's Remarks	<i>Note observations on any of the following areas:</i>	Effective Practices	Problems Encountered	The teacher may take note of some observations related to the effective practices and problems encountered after utilizing the different strategies, materials used, learner engagement and other related stuff. Teachers may also suggest ways to improve the different activities explored/lesson exemplar.
	<i>strategies explored</i>			
	<i>materials used</i>			
	<i>learner engagement/ interaction</i>			
	<i>others</i>			
C. Teacher's Reflection	<i>Reflection guide or prompt can be on:</i> ▪ <u>principles behind the teaching</u> <i>What principles and beliefs informed my lesson?</i> <i>Why did I teach the lesson the way I did?</i> ▪ <u>students</u> <i>What roles did my students play in my lesson?</i> <i>What did my students learn? How did they learn?</i> ▪ <u>ways forward</u> <i>What could I have done differently?</i> <i>What can I explore in the next lesson?</i>			Teacher's reflection in every lesson conducted/ facilitated is essential and necessary to improve practice. You may also consider this as an input for the LAC/Collab sessions.
